

an outline of philosophy pdf

The following outline is provided as an overview of and topical guide to philosophy: . Philosophy â€“ study of general and fundamental problems concerning matters such as existence, knowledge, values, reason, mind, and language. It is distinguished from other ways of addressing fundamental questions (such as mysticism, myth, or the arts) by its critical, generally systematic approach and its ...

Outline of philosophy - Wikipedia

An academic discipline or field of study is a branch of knowledge, taught and researched as part of higher education. A scholar's discipline is commonly defined by the university faculties and learned societies to which he or she belongs and the academic journals in which he or she publishes research.. Disciplines vary between well-established ones that exist in almost all universities and have ...
