A commando is a soldier or operative of an elite light infantry or special operations force often specializing in amphibious landings, parachuting or abseiling.. Originally "a commando" was a type of combat unit, as opposed to an individual in that unit. In other languages, commando and kommando denote a "command", including the sense of a military or an elite special operations unit.

The history of the global dispersal of dogs continues to be contentious (). In North America, the earliest confirmed dog remains (from Koster, IL) have been radiocarbon dated to ~9900 calibrated years before the present (2, 3), ~4500 years after the earliest unambiguous evidence of humans arriving in the Americas (). Although these early dogs were most likely not domesticated in situ (), the ...
