

elements of hindu iconography pdf

Yama is the deity of justice in Hinduism. In Hindu Puranic scriptures, those who assist him in his work are Kala (time), Jara (old age), Vyadhi (disease), Krodha (anger) and Asuya (jealousy). He is one of the Lokapāla and represents the south cardinal direction. In different texts, Yama can be referred to as the god of justice, as the deity Dharma, or a completely different figure altogether.

Yama (Hinduism) - Wikipedia

Iconography, as a branch of art history, studies the identification, description, and the interpretation of the content of images: the subjects depicted, the particular compositions and details used to do so, and other elements that are distinct from artistic style. The word iconography comes from the Greek *ἰμάγιον* ("image") and *γράφω* ("to write").
