In bookkeeping, accounting, and finance, Net sales are operating revenues earned by a company for selling its products or rendering its services. Also referred to as revenue, they are reported directly on the income statement as Sales or Net sales.. In financial ratios that use income statement sales values, "sales" refers to net sales, not gross sales. ...

War is illegal. Against a background of escalating ecological crises, and the fact that large parts of the world's population are being exposed to extreme poverty, inhuman working conditions and increasing social tensions, the annual global military expenditure has risen to more than 1000 billion dollars.
