An unusual geologic formation known as "The Baths" located on the southern end of the island makes Virgin Gorda one of the BVI's major tourist destinations. At The Baths, in spite of evidence of the island's largely volcanic origins, huge granite boulders lie in piles on the beach, forming scenic grottoes that are open to the sea. Granite is an intrusive igneous rock, thus not volcanic.

The name Lundy is believed to come from the old Norse word for "puffin island" (compare Lundey), lundi being the Old Norse word for a puffin and ey, an island, although an alternative explanation has been suggested with Lund referring to a copse, or wooded area. It is known in Welsh as Ynys Wair, "Gwair's Island", in reference to an alternative name for the wizard Gwydion.

Way Victor (formerly Way Victoria ), located near Roundwood , County Wicklow , Ireland , is a remarkable private meditation garden for its black granite sculptures. The 9-hectare property includes a number of small lakes and wooded areas. A plaque at the entrance indicates that the park is dedicated to the cryptographer Alan Turing .
