How Children Succeed introduces us to a new generation of researchers and educators who, for the first time, are using the tools of science to peel back the mysteries of character. Through their stories—and the stories of the children they are trying to help—Tough traces the links between childhood stress and life success.

The latest trend in textbooks is "open textbooks." An open textbook is a free, openly licensed textbook offered online by its author(s). According to PIRG, a number of textbooks already exist, and are being used at schools such as MIT and Harvard. A 2010 study published found that open textbooks offer a viable and attractive means to meet faculty and student needs while offering savings of ...
