A third-person pronoun is a pronoun that refers to an entity other than the speaker or listener. The English pronouns he and she are third-person personal pronouns specific to the gender of the person (not to be confused with grammatical gender). The English pronoun they is an epicene (gender-neutral) third-person pronoun that can refer to plural antecedents of any gender and, informally, to a ...

Scope: This page is for requests for deletion of pages, entries and senses in the main namespace for a reason other than that the term cannot be attested. One of the reasons for posting an entry or a sense here is that it is a sum of parts, such as "green leaf". It is occasionally used for undeletion requests, requests to restore entries that may have been wrongly deleted.
