History. The organizing of information could be seen since humans began to write. Prior to that, history was passed down only through song and word. [citation needed] As can be seen with religion, books and spoken word, science (through journals and studies) organizing not only is history, but also supports the communication of history. Recording ideas in a written text, as opposed to verbally ...

A union organizer (or union organiser) is a specific type of trade union member (often elected) or an appointed union official. A majority of unions appoint rather than elect their organisers. [citation needed] In some unions, the organiser's role is to recruit groups of workers under the organizing model. In other unions, the organiser's role is largely that of servicing members and enforcing ...
