America on the Move explores the role of transportation in American history. Visit communities wrestling with the changes that new transportation networks brought. See cities change, suburbs expand, and farms and factories become part of regional, national, and international economies. Meet people as they travel for work and pleasure, and as they move to new homes.

Joseph John Campbell (1904–1987) was an American Professor of Literature at Sarah Lawrence College who worked in comparative mythology and comparative religion. His work covers many aspects of the human experience. Campbell's most well-known work is his book *The Hero with a Thousand Faces* (1949), in which he discusses his theory of the journey of the archetypal hero shared by world ...

Although there are some mentions of Native Americans playing football-like games, modern American football has its origins in the traditional football games played in the cities, villages and schools of Europe for many centuries before America was settled by Europeans. Early games appear to have had much in common with the traditional "mob football" played in England.
