One of the major weaknesses of the China Study was that nutrient intakes were determined from food composition tables, rather than measured directly from foods.²⁴ Artful Omission By the title, one would expect *The China Study* to contain objective and complete information derived from the China Study.

Spotting Bad Science 103: The China Study

Some of the essays address issues of importance to China internally, revolving around the Communist Party's legitimacy, the end of the one-child policy, and ethnic tensions. Others focus on China's relationship with other nations, particularly the United States. *The China Questions* is a work celebrating the 60th anniversary of the Fairbank Center.
