The druid is a playable character class in the Dungeons & Dragons fantasy role-playing game. Druids wield nature-themed magic. Unlike the cleric, druids do not have special powers against undead and, in some editions, cannot use metal armor. Druids have a unique ability that allows them to change into various animal forms, and various other qualities that assist them in natural settings.

The magic of Dungeons & Dragons consists of spells and magic systems used in the settings of the role-playing game Dungeons & Dragons (D&D). D&D defined the genre of fantasy role-playing games, and remains the most popular. Many of the original spells have become widely used in the role-playing community, across many different fictional worlds, and across all manner of popular media: including ...

RPG Tinker is a tool for building NPCs for D&D 5e. Here you can choose a template, abilities scores, and hit dice. With that we generate an NPC ready to use in battle! You can even print/pdf it! The tool is under construction and receiving new features each day. It probably has some (or many) errors in it. Help improving it by giving your feedback!
