im half way through the book, and my chess has dramatically improved especially my thought and thinking towards every position i face. its not an easy book and difficulty is high but i didnt give up and enjoy the few examples it gives before you solve some puzzles in the end. My rating is 1250 and im sure higher rated players will also enjoy the book.

Chess is a board game for two players. It is played in a square board, made of 64 smaller squares, with eight squares on each side. Each player starts with sixteen pieces: eight pawns, two knights, two bishops, two rooks, one queen and one king. The goal of the game is for each player to try and checkmate the king of the opponent. Checkmate is a threat ('check') to the opposing king which no ...
